**On the Stanford list of world's top 2% scientists- 2021**

**Senior Research Associate, Unit of Environmental Science and Technology  
Dept of Chemical Engin., National Technical University of Athens**

**Associate Professor, University of Western Macedonia - 2016  
Dept of Mechanical Engineering / PPC Chair, «Renewable Energy  
and Management of Energy Sources»**

**Visiting Professor, National Technical University of Athens  
Graduate Program “Environment and Development” 2004- 2016**

**Research Associate / Earth Engineering Center, Columbia University,  
New York (USA) <http://www.seas.columbia.edu/earth/EECAssociates.html>**

**Associate Professor (Non-tenured), Dept of Chemical Eng., Columbia University in the City of New York  
(USA) 1991-1998**

**Chairman and Vice Chairman and National Representative 2000-2013**

**European Cooperation in Science and Technology, COST: TU1104 Smart Energy Regions,  
COST Action C24: Analysis and Design of Innovative Systems for Low-EXergy in the Built  
Environment: COSTeXergy.**

## **EDUCATION**

**B.Sc. Chemical Engineering, Columbia University, New York City, USA**

**M.Sc. Chemical Engineering, Columbia University, New York City, USA (Scholarship)**

**Ph.D. Chemical Engineering, Columbia University, New York City, USA (Scholarship)**

**M. Ph. Energy Science, New York University, USA (Scholarship)**

## **PUBLICATIONS: BOOKS, SCIENTIFIC JOURNALS, CONFERENCES**

**\_ Scientific Journals: 101**

**\_ Books: 23**

**\_ Chapters in Books: 11**

**\_ Conference Proceedings: 231**

**\_ Mentor of Diploma Works, Graduate and Undergraduate: 142**

**\_ Reviewer at Scientific Journals: 123**

**\_ Member of the Research Team at Funded Research Projects: 40**

**\_ Editorial Board Member at 88 Scientific Journals**

**\_ Member of The Scientific Committees of International Conferences: 119**

## **RESEARCH INTERESTS**

**Energy Engineering – Renewable Energy Sources - Environmental Management - Life Cycle  
Analysis - Environmental Engineering - Process Engineering.**
